

GALLICA

2020 ESTATE ROSÉ SAINT HELENA | NAPA VALLEY

Our Estate Rosé is made the old-fashioned way- whole clusters gently pressed to create the pale salmon pink hue we love. This is a rosé made with intention from our own vineyards planted circa 1953 and 1990. We picked Petite Sirah and Cabernet Sauvignon from our organically farmed vineyard early to keep the finished wine delightfully dry, crisp, and refreshing. Fermentation progresses slowly in stainless and a handful of older cooperage at cooler temperatures. Decidedly free from malo-lactic fermentation to enhance the varietal character and pure aromatics rosé offers up, the wine was filtered at bottling. Perfectly suited to warmer weather, it sings with white peach, blood orange, meadow flowers, and a whiff of dried lime peel.

CCOF – California Certified Organic Vineyard

VARIETAL: Petite Sirah | Cabernet Sauvignon
WINEMAKING: Bottled February 2021.
VINEYARD: Gallica Estate Vineyard
ALCOHOL: 12.8%
