2021 ALBARIÑO RORICK HERITAGE VINEYARD | CALAVERAS

Our singular white wine, we love Albariño for its distinctive aromas and pairing potential. The bottling of Albariño reminds us that warmer weather is around the corner. Limestone freshness straight from this remarkable alpine terroir, mingles with luscious fruit and juicy acidity. Aromatics from the summer garden grace the 2021 vintage with notes of lemon verbena, white peach, and notes of savory. Without oak influence, this is a celebration of Albariño ready to enjoy. Farmed Organically.

2021 Growing Season | Calaveras County California | A dry winter with nary any spring rain resulting in low yields and small concentrated flavorful golden berries | Harvested on August 25th by hand
