

GALLICA

2021 ESTATE ROSÉ SAINT HELENA | NAPA VALLEY

The making of our Estate Rosé is one of the highlights of the vintage. Rosé made the old fashioned way – whole clusters gently pressed to create the most perfect pale salmon pink hue. Early to pick, first to bottle, and immediately enjoyable. Fermentation progressed slowly in stainless and a handful of older cooperage. Decidedly free from malo-lactic fermentation to enhance the heady aromatics Rosé at its best offers. We picked Petite Sirah and Cabernet Sauvignon from our organically farmed estate vineyard early in the season to keep the finished wine delightfully dry, crisp and refreshing. A joyful expression of wild strawberry, blood orange, spring flowers, and a note of savory jump out of the glass. Pairs well with all the summer culinary possibilities.

CCOF - California Certified Organic Farming.

2021 Growing Season | Drought conditions and large summer diurnals characterized the 2021 season | Our well established vineyard on drought resistant St George and 110-R rootstock along with early spring irrigations helped us grow a healthy canopy | Excellent summer growing conditions persisted with temperatures slightly above average in the afternoon but moderated by low morning temperatures | Harvested on August 24th by hand

VARIETAL: Petite Sirah | Cabernet Sauvignon

WINEMAKING: Hand Harvested August 24, 2021 | Bottled March 28, 2022

VINEYARD: Gallica Estate Vineyard

ALCOHOL: 13.0%
